

A group of people are high-fiving in a large, brightly lit indoor space. In the background, a climbing wall is visible with several people climbing. The scene is filled with energy and celebration. The text 'TEAM BRIDGES' is overlaid on the image in a bold, white, sans-serif font. Below the title, the text 'Memphis' Premier Experiential Learning And Team Building Program For All Ages' is written in a smaller, orange, sans-serif font. The overall color palette is bright and vibrant, with green and orange accents.

And Team Building Program For All Ages**

Our Philosophy

We encourage each individual to discover his or her greatness and help every team develop the skills necessary to face challenges, take action and work toward common goals with confidence.

The Team BRIDGES Environment

Our highly trained Team BRIDGES staff is equipped to provide groups a fully customized, meaningful and memorable experience in a safe, encouraging and engaging atmosphere. We're adept at working with groups of all kinds, from corporate to school to faith-based, and even family groups.

Utilizing "challenge by choice" experiences—from on-the-ground icebreaker activities to physical and mental challenges 30 feet up in the air on our rock wall or high ropes course—our expert staff will help your team focus on communication, trust-building, leadership, problem-solving, critical thinking, goal-setting, time management and teamwork.

Give us a group,
we'll give you a team.

Check Out The BRIDGES Center

Located in the heart of Uptown Memphis and erected in 2004, our unique facility was the first green commercial building in the city.

Inside, you'll find our Wilson Family High Adventure Hall: the perfect space for teams to engage in problem-solving and low ropes course activities, climb our 30-foot rock wall, or conquer our high adventure challenge course. Designed by Project Adventure, a world-renowned leader in the field of challenge course design and technology, this high ropes course includes many elements developed specifically for Team BRIDGES that you won't find anywhere else in the Midsouth.

And outside, on the western exterior face of the BRIDGES Center, you can enjoy amazing views of the iconic Memphis Pyramid and the mighty Mississippi as you tackle our outdoor climbing wall and high ropes course.

Your Team's Options

Team BRIDGES can craft a customized event based on your group's unique needs and goals. Examples include:

- 10-minute energizer to kick off your conference
- 2-hour intensive experience featuring problem-solving activities
- 2-hour adventure retreat utilizing the indoor rock wall and high adventure challenge course
- 4-hour experience using all our indoor and outdoor facilities (based on the size of your team)
- Full-day or multi-day workshop incorporating some or all of these activities to advance your team through a powerful bonding and growth process in a short time span

All of our workshop modules are customized using the Team BRIDGES Client Needs Assessment questionnaire, available at bridgesusa.org/teambuilding. This assessment will allow you to identify your focus areas, expectations, desired outcomes, group dynamics, catering needs, budget and specific dates.
