

TENNESSEE ASSOCIATION of COMMUNITY LEADERSHIP

Mission:

Tennessee Association of Community Leadership (TACL) serves as a resource that builds, support, and enhances community leadership development in each county across Tennessee.

Goals:

- To provide quality leadership throughout Tennessee.
- To provide professional support and opportunities to expand knowledge and skills.
- To provide support to new community leadership programs, as well as provide help to struggling programs.
- To provide an opportunity for diverse people to share ideas and learn from one another.

Benefits:

A Statewide Leadership Conference member discount. A copy of the Tennessee Leadership Program Directory. Networking with peers of adult and youth leadership development programs throughout the state of TN. Mentoring of prospective and new leadership program staff/board/directors. Regional leadership program meetings. Eligibility for program funding and conference scholarships. Identifying quality speakers and facilitators for leadership presentations, as well as leadership exercises. Website link on our website.
