WHAT IS LEADERSHIP UNIVERSITY?

Leadership development program for high school juniors from Jackson-Madison county (public schools, private schools and home schooled students).

MISSION:

Leadership University is a development program designed to identify and develop a diverse group of high school juniors who demonstrate leadership potential.

OBJECTIVES:

To identify, train and nurture potential leaders who might otherwise not be recognized.

To further enhance and develop communication and decision making skills.

To promote leadership in the participants' schools.

To have an increased awareness of our community needs, opportunities, problems and resources available.

To become a responsible, ethical leader committed to active involvement in their community.

COST TO PARTICIPATE:

Servant Leadership: Two hours of community service each month of the program at a social service agency assigned by the Jackson Chamber.

A total of 12 hours.

Servant leadership is an important aspect of the Leadership University program. With the generosity of our sponsors, volunteer service is tuition for participation in the program.
